## ABOUT

A passionate UI/UX designer with a strong interest in creating meaningful, user-centered digital experiences. I hold a Bachelor's degree in Computer Applications (BCA) from Calicut University which provides me with a solid understanding of both design and technology. I specialize in designing intuitive, clean, and visually appealing interfaces that emphasize usability, accessibility, and smooth user interaction.

## PROJECTS

- **Student Admission App**

Designed a Student Admission App to simplify and streamline the admission process for students and parents. The app enables users to easily view institution details, compare courses, submit applications, and track admission status. Focused on clear navigation, simple forms, and a mobile-first approach to ensure an intuitive and user-friendly experience.
